David W. Victor

RESPONSE TO OFFICE ACTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This paper is submitted in response to the non-final office action dated May 28, 2004, in which the Examiner made certain objections to the specification and claims, rejected claim 27 as indefinite (35 U.S.C. §112, par. 2) and directed to non-statutory subject matter (35 U.S.C. §101), and rejected claims 1-39 as anticipated (35 U.S.C. §102) by prior art. Applicants amended the Specification and claims to overcome the objections and indefiniteness and non-statutory subject matter rejections. Applicants further submit that claims 1-39 are patentable over the cited art and in condition for allowance for the reasons discussed herein.

Amendments to the Specification begin on page 2.

Amendments to the Claims are reflected in the listing of claims which begins on page 3.

Remarks/Arguments begin on page 12.
